## Newsletter Delivery

We have a small cadre of residents who deliver our 1500 newsletters six times a year. We really appreciate this dedicated group; many have done it for a long time.

We really need your help, particularly in Wedgewood. You can deliver just your street (if it's available) or we can give you several streets.

Make it a family affair and teach your children the importance of volunteering and giving back to the community.

## Meet Our Neighborhood Development Specialist

Here is a message from Nikki Southall, our new Neighborhood Development Specialist from the City of Norfolk's Neighborhood Development Department assigned to our neighborhood to facilitate communication between the city and the community and to consult on neighborhood improvement.

Greetings, Roosevelt Area Civic League!

This is Nikki Southall, your Neighborhood Development Specialist from Norfolk's Department of Neighborhood Development. Although I'm "new" to my position, I have been volunteering with my division for over 5 years. I was an inaugural participant of the Neighbors Building Neighborhoods Academy where I was trained in facilitation and leadership development, to name a few. I am very excited to get to know all the residents in the community and what kind of activities and initiatives you all are participating in.

I am very passionate about civic leagues and neighborhoods. I believe that strong communities come from strong relationships between residents and various partnerships to include city departments, faith based organizations, schools, nonprofits and everything in between! We can't have a healthy neighborhood without a positive connection and understanding about how working together for a common goal is what's best.

One of the most effective resources that residents have is the NBN Academy! We offer a series of very informative and FREE classes that are designed to assist community leaders with building capacity and tools towards making their neighborhood active, healthy and engaging. We have classes all Spring and there's something for everyone!

Please visit <https://www.norfolk.gov/index.aspx?nid=605> to sign up for any upcoming class. I look forward to meeting with the Roosevelt community! You may contact me at 823-4217 or by email at [ryan.southall@norfolk.gov](mailto:ryan.southall@norfolk.gov).

All the best-

Ryan "Nikki" Southall
