From the President

Dear Neighbors,

We hope you can attend our March 20th meeting with our special guest Delegate Chris Stolle. As he does every March, Chris joins us to go over the many new laws that will be enacted on July 1st and go over other topics of interest that occurred in Richmond during the 2019 session. Chris has been good to us here in the Roosevelt Area but due to redistricting, he will not be our delegate any longer. He'll explain that too.

Your Board of Directors has met a few times this year and we have lots of plans for 2019 and want you to be a part of it. Membership in your local neighborhood organization is very important. We are your voice with issues that affect you and your families. We get calls to assist neighbors with code violations, speeding issues and a myriad of things and we forward those issues to the right folks on your behalf. As a group, our voice is louder than just one.

I encourage you to invest \$10 a year to become a member of our civic league, to support us as we help each other through the levels of government to make this a better neighborhood and city.

I would also encourage you to step up and join our BOD or become an officer of the league as some old faces will be leaving at the end of the term in May. If you feel the call to get involved please contact one of us and we'll put you in contact with the Nominating Committee chairman.

Take an hour and join us Wednesday March 20 at 7:00pm.

Paul

Hands-Only CPR

Thanks to Norfolk Fire-Rescue and all our neighbors who came to our January meeting to learn hands-only CPR. This valuable method of CPR is immediate and effective and can more than double the chance of survival for someone suffering cardiac arrest. If you have a group that would like to receive training, call (757) 664-6510 to schedule a free training class with Norfolk Fire-Rescue.
