Roosevelt Area Civic League Meeting

**Wednesday, November 14
7:00 pm**

**Guest Speaker
Councilman Tommy Smigiel
Ward 5**

Holiday Fire Safety

It's fun to decorate for the winter holidays, but holiday decorations can increase your risk for a home fire. As you deck the halls this season, be fire smart.

- Inspect holiday lights each year before you put them up. Throw away light strands with frayed or pinched wires.
- Water your Christmas tree every day. A dry tree is dangerous because it can catch on fire easily.
- Consider using battery-operated flameless candles, which can look, smell and feel like real candles.
- If you do use lit candles, make sure they are in stable holders and place them where they cannot be knocked down easily.

From the President

Hello Neighbors:

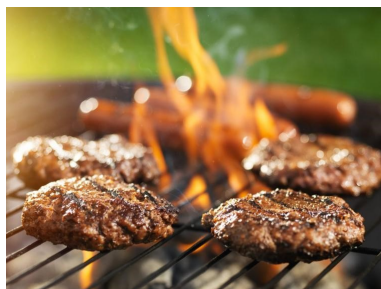

Our last meeting of the year will be a good one with Councilman Tommy Smigiel as our guest speaker. Tommy will enlighten us on many happenings in our ward and give us a promising update on the old Calvary School property and its future tenants.

We'll also have our Norfolk Police Community Resource Officers available to assist you with any issues you'd like to discuss with them either as a group or one on one.

We'd like to thank everyone who attended our picnic in September. We had a great turnout and quite a few new members join our league. Special thanks to Dennis Young who is the Recreation Supervisor at the Tarrallton Community Center and also a tremendous asset to our community; from kindergarten to a senior if you have been to the community center, Dennis Young has touched your lives. His impact on our youth is invaluable and we are forever grateful for his service to our area.

We hope that you will become a dues paying member in 2019 as we continue to work on your behalf to make this a better community!

Civic League Picnic

Thanks to all who attended our civic league picnic in September. Around 50 of our neighbors had a great time with each other and enjoyed a delicious meal. Several of our elected officials joined us for the fun. We hope to continue these gatherings and would love to have more of our neighbors join the civic league so that we can all these fun community events.

Protect Your Drains During Holiday Cooking

Keep your drains clog-free and healthy by practicing the following good-to-do methods:

- **CAN THE GREASE** – Put used cooking grease into an empty, heat-safe container, such as a soup can, and store it in the freezer. Once solidified, toss the can into the garbage.
- **SCRAPE THE PLATE** - Wipe all pots, pans, dishes and cooking utensils with a paper towel prior to washing to absorb the grease.
- **CATCH THE SCRAPS** - Eliminate using the garbage disposal. Catch food scraps in your sink with a basket or strainer and toss them into the trash.
- **RECYCLE** - Large quantities of used cooking oil can be recycled through your local household hazardous waste program.
